*also see their other offered scholarships

Application Deadline: February 23

University Opportunities

Student Member of the Board of Visitors 2007-2008 Academic Year

The term is one year, beginning in March, for either an undergraduate or graduate student.

Undergraduates must be entering their last year of study and graduate students must be in their second year of study or have attended UVA as an undergraduate. Although the student does not have a counting vote, position is an essential facet of the board.

Application Deadline: January 18

Scholarships and Fellowships

Capital City Fellows Program

Initiated by Mayor Anthony Williams, the program is intended to attract recent graduates of master's degree programs in public administration, public policy, urban planning, and related fields to work for the city of Washington, DC. under a two-year fellowship appointment.

Application deadline: January 29

Competitions

Metropolis Next Generation

The 2007 Next Generation® prize will finance the development of a bright idea that focuses on ENERGY, its uses, reduction, consumption, efficiencies, and alternatives. Designs can be at any scale, ranging from a lamp to city neighborhood plan. Students may work alone or in teams. The winning entry will receive \$10,000 to execute the scheme and will be featured on Metropolis magazine.

Submission Deadline: January 5

The AIAS Annual Chair Affair

The program is to design a "chair" from corrugated cardboard. The Chair Affair's definition of a chair is anything that elevates an user of undetermined size off of the ground comfortably for an extended period of time. The rest is up to you—our ambiguity is your design opportunity.
