Check the SARC scholarship for which you are applying. For each scholarship, a separate application form must be submitted. The number and amount of each scholarship varies each year based on applications and fund earnings.

Name of Applicant ____________________________________________

______ Bobby Newman Endowed Scholarships (rising 3rd or 4th year students only)
The Bobby Newman Scholarship was established by William G. and Ann Newman in memory of their son, Robert Keith Newman. The purpose of the fund is to award a scholarship to an outstanding third or fourth year Architecture School student(s). Scholarships have ranged from $1,700 - $6,000.

______ Clark Construction Scholarships (rising 3rd or 4th year students in Architecture Department only)
The Clark Construction Scholarships were established by Clark Construction Group, LCC, to provide financial assistance to students in the department of architecture with preference to rising fourth year students with proven financial need (rising third year students eligible). The scholarships shall be awarded on a competitive, merit basis to outstanding students, with preference for students who demonstrate an interest in the construction and building project management field. The scholarship recipient must be a US citizen and have a cumulative 3.0 grade point average in order to qualify for funding. The Clark Construction Group was founded in 1906 and has become one of the nation’s most experienced and respected providers of construction services throughout the United States. The Clark Construction Group is a strong supporter of the School of Architecture. Scholarships have ranged from $3,000 - $5,000.

_____ Galsworthy Endowed Scholarship (International students only)
The Galsworthy Scholarship was established by alumnus Marcus Simpson with the goal of providing financial assistance for undergraduate international students (foreign-nationals) studying at the UVA School of Architecture. They shall be awarded based on merit, with preference to students who also need financial assistance. Recipients may be incoming or returning students. Scholarship will be awarded once per year and students are not guaranteed funding over multiple years but must reapply each year.

Marcus Simpson was born and raised in Ireland and received his bachelor of science in architecture in 1986. He is currently the head of Global Private Equity for QIC in Australia. Scholarships have ranged from $1,000 to $5,000.

______ Susan Nelson Fleiss Endowed Scholarship
The Susan Nelson Fleiss Scholarship was created by family, friends and classmates in the Class of 1998 in memory of Susan. The purpose of this scholarship is to provide an exceptionally deserving undergraduate student financial assistance for travel opportunities and experiences undertaken while studying at the UVA School of Architecture. The funds will be awarded for travel purposes that broaden the design experience and personal development of the recipient/s.

Susan Nelson Fleiss passed away in 2011 at 35 years old after fighting colon cancer. She was described as a person who had two gifts - a passion for the architectural process of turning a design into a reality through the building process and a gift of happiness, energy and enthusiasm that she brought to a work place.

Scholarship for 2015 - 2016 was $2,000.
