

JORG SIEWEKE    sieweke@virginia.edu    434 227 0542

412 N 1st street  
Charlottesville, Va  
22902 USA

Greifenhagenerstr. 2  
10437 Berlin  
Germany

#### PROFESSIONAL EXPERIENCE (self-employed)

2005    licensed urban designer, Berlin  
2001    licensed landscape architect, Berlin  
2001 → founding office: \_scapes urban design, Berlin

#### PROFESSIONAL EXPERIENCE (Employee)

98-02    Project landscape architect: Stefan Tischer, landscape architect, Berlin  
2001    Project landscape architect: Topotek 1, landscape architects, Berlin

#### PROFESSIONAL EXPERIENCE (Academic)

09 →    **Assistant Professor** School of Architecture, University of Virginia  
          ParadoXcity design research initiative  
08        Visiting lecturer, State Academy of Art and Design Stuttgart,  
          Urban design seminar: Mapping Stuttgart, Chair Matthias Sauerbruch  
04-07    **Research and teaching assistant** at Technical University Berlin  
          School of architecture, environment and society  
          Chair of Prof. Undine Giseke landscape architecture  
02-04    **Visiting lecturer**, Berlin School of Art (khb)  
          Teaching landscape architecture seminar in master in urban design program  
02-04    **Research and teaching assistant** at Technical University Dresden  
          School of architecture, at chair of landscape architecture/open space plan-  
ning

#### GRADUATE DEGREES

2001    **Master in architecture**: khb Berlin School of Art, MArch (urban design)  
1996    **Diplom-Ingenieur**: University Essen, Dipl-Ing landscape architecture

#### DISSERTATION

2011 → **Vergegenwaertigung** (submission scheduled, July 2011)  
          reflections on design as a means of revelation

## LECTURES

- 2011 Revisiting Father Rhine: CELA 2011 conference Los Angeles, Urban nature track
- 2011 ParadoXcity: Delta cities between stability and stagnation, IUAV Venice School of doctorate. Adaptive Cities conference, march 10th
- 2011 Atlantropa & future of Mega-DeltaCities→ turning urban symposium, UvA
- 2011 Panelist on *Design thinking* symposium SARCH, UvA , Glimmer Warren Berger
- 2011 Re-envisioning public infrastructure, at D:Center Convo # 28 Baltimore Public conversations on Design. sponsored by Baltimore Development Org.
- 2010 Baltimore Jones Falls project: Constructed Environment conference, Venice, Italy
- 2010 First we change the rivers, then.. : Delta Cities in Climate change, Rotterdam, NL
- 2010 Design research methods, design research seminar School of Architecture, UvA
- 2010 Introduction to mapping diagraming, architecture undergraduate program, UvA
- 2010 Urban estuary, Common Course, graduate program, UvA
- 2010 Universitas 21: SeaPortCities: Adaptation of behavior vs. structure, Rotterdam
- 2009 Respondent Panel UvA international Woltz Symposium on adaptive infrastructure
- 2009 Camillo Sitte meets Robert Venturi: *urban reset* symposium, HCU, Hamburg
- 2009 Atlas IBA Hamburg at Summerschool, UdN, HCU Hamburg, Prof. Michael Koch
- 2009 New Orleans, Summer School European Masters, Leibniz Uni Hannover
- 2009 Tempo-spatial conditions: common course interdisciplinary lecture series, UvA
- 2009 Deep ecology: generation green: German department; lecture series, UvA
- 2009 Accelerating acqua alta: School of Architecture, Spring research symposium, UvA
- 2008 Landscape of difference: Campus visit, lecture, UvA
- 2008 Venice is not a modern city: IFLA Appledorn, Netherlands
- 2008 Mapping techniques and theory: Academy of arts, Stuttgart
- 2008 Whatever happened to urbanism?, A4: Architecture Week Bavaria, Rosenheim
- 2007 Whatever happened to Landscape urbanism: Master urban design, TU Berlin
- 2005 Re-reading Hamburg Wilhelmsburg, BSU, Hamburg Stadtmodelraum

2005	Extension of federal police headquarter, Berlin, with Jason Danziger		
2005	Ministry of the Interior, Berlin 50.000 sqm in the government district, with Sieweke-Lagemann		
2004	Clouth-Gelände in Cologne-Nippes		

- 2004 industrial archeology for residential use with Salomon Schindler
- 2004 Shrinking Cities, Ideas competition, Leipzig
- collaborative workshop engaging dance theater
- 2004 Hamburg Finkenau,
- inner city residential in fill, with Sieweke-Lagemann (invited)
- 2003 Bears Park, Bern, Switzerland,
- park for the heraldic animal of Bern, with Moritz Müller, stage designer
- 2003 Campus Bockenheimer, Frankfurt
- with Finsterwalder Architects
- 2002 Railyards development, North-Rhine-Westfalia, with Hans Wirtschurke
- 2001 Siemens Hoffmannstrasse, Munich
- extension of Siemens business campus, for Stefan Tischer with MVRDV
- 2000 Archiprix International competition, Rotterdam
- self-organization *in spatial structures*, nominee, worlds best diploma projects
- 1998 Harbour-Campus Hamburg Harburg,
- HCU office and research campus at former dock lands, with studio.eu
- 1996 The Juice: Garden of Justice, Los Angeles
- O. J. Simpson trial

#### AWARDED PROJECTS IN TEACHING

- 2011 VA-ASLA design Awards S. Denizen, J. Lynch, D. Wooden on ParadoXcity studio work
- 2010 Clean Tech Corridor LA SciArc: international urban design competition
- 1st Prize "messy tech" Advisee: Jenny Jones with Randal Winston, Renee Pean
- 2010 DELTA CITIES, Rotterdam: international student competition
- Winner: David Wooden: The Big Leak: responses to New Orleans' land subsidence
- awarded: Susanne Mathew: Baltimore- Water Works Jones Falls
- awarded: Andrea Parker & Julia Prize: Re-envisioning urban metabolism Lower 9th NOLA
- 2010 ASLA national student awards in DC: Delia Kulukundis: puddle-scape, Lower 9th NOLA
- Freshwater Marsh and Urban Matrix, Honor Award General Design category.
- Honor Award: collaboration category: Aja Richards & Sarah Shelton
- Alchemy of an Urban Estuary: Transforming Infrastructure Jones Falls Corridor, Baltimore
- 2010 D3 space: Natural systems NYC (int): Special Mention: Urban Design
- S. Mathew, M. Hansen Delta Matrix: Hydrology as adaptive infrastructure
- 2010 UnBuilt DC 2010 competition Honor award S. Matthew, M. Hansen, Delta Matrix
- 2003 thehighline, international ideas competition, Black market crawler, NYC 1. Prize
- 2002 Neuland, new territory in Nochten, Kurt-Beyer Prize: v. Wege / Perz / Weber / Schmid
- 2002 Deutzer Hafen, Cologne, LEG-Prize
- 2002 Roma reale, diploma TU Dresden, Architecture Prize: Cathi Bauer

#### PUBLIC SERVICE CONSULTANT

- 2011 Design Jury member: Housing tomorrow D3 space, New York
- 2011 Design critic final review Penn, Martin Rein-Cano "Tempelhof, Berlin"
- 2011 Design critic final review GSD Harvard Chris Reed: La Guardia UD studio
- 2011 International visiting scholar grant: Rainer Johann (Host)
- 2010 International visiting scholar grant: Anna Viader (Host)
- 2010 Design critic final review Penn Karen McCloskey: LAR 502 groundwork
- 2010 Concept and oversight of department blog: Uvalandscape
- 2011 member of SARCH Website re-design committee
- 2011 Member of Weedon Chair in Asian Architecture Search Committee
- 2011 LAR Accreditation report Committee
- 2010 National Academy environmental design, Washington, DC (invited)
- Disaster Roundtable Disaster Resilient Design Workshop
- 2009 "Adaptive infrastructure" symposium steering committee UVa
- 2009 Hosting Chinese Peking University and German Leibniz University Hannover students & faculty group during symposium and excursion with workshop in New Orleans.

- 2008 SpacePlaceLab, Stiftung Insel Hombroich, Landscape Workshop
- 2006 Gleisdreieck Park, Berlin largest inner city park, report to the jury, City of Berlin
- 2005 "Perspective Landschaft" Steering committee symposium at TU Berlin
- 2007 Urban Spaces: Montag Stiftung: Rhine river as subject, (invited consultant)
- 2001 Waisenhausgärten, Schwerin, urban design study: with Otto Steidle (invited)
- 2000 Theresienhöhe, Munich urban design study: behalf of Stefan Tischer (invited)
- 1999 Art and Landscape: recovering landscape, open cast coal-mining, Leipzig (invited)

#### PUBLIC SERVICE ACADEMIC WORKSHOPS

- 2010 DeltaCities of tomorrow, Rotterdam: Pressure cooker workshop (invited finalist)
- 2009 European Masters Hannover, with Uva students (invited)
- 2009 New Orleans: workshop with German and Chinese students, (host)
- 2007 Plan 07 Academy: future of inner greenbelt, Cologne (invited)
- 2006 Dubai: Puddle urbanism? building cities in an arid desert, TU Berlin
- 2006 Terra Nova, Hambach Regionale 2010: conversion of open cast coal mine (invited)
- 2005 Hybrid Spaces, Hannover, Prof. Gerd Selle, RWTH Aachen (invited)
- 2005 Warndt, Saar: Conversion of lignite plant, seminar TU-Berlin (invited)
- 2005 Kaltehohe Hamburg: conversion of 1850s water plant, seminar TU-Berlin (host)
- 2004 RaumOrtLabor Hombroich: emerging cultural landscape, studio Tu Berlin (host)
- 2005 on site seminar, Rathenow, Berlin Academy of Arts, Tu Berlin, (invited)
- 2003 on site seminar, Brandenburg, Berlin Academy of Arts, TU Dresden (invited)
- 2003 Volterra, Italy TU Dresden, interdisciplinary teams TU dresden (host)
- 1998 Bitterfeld-Wolfen, Pilot-phase: Bauhaus Dessau Kolleg international (participant)
- 1998 The smooth and the striated, Gilles Deleuze; Dagmar Richter (participant)
- 1998 Travel and Proximity, European 5 conference: Geneva (invited)
- 1996 Landscape-city transitions, Bauhaus Dessau, Summer School (invited)

#### TEACHING STUDIO: (selection)

- 2011 ParadoXcity Venice, Italy. option travel studio, faculty design research studio UVa
- 2010 ParadoXcity New Orleans, landscape architecture, foundation studio, UVa
- 2010 ParadoXcity Baltimore: Jones Falls & Expressway, faculty design research studio
- 2009 ParadoXcity New Orleans, re-envision urban drainage, foundation studio
- 2009 Delta City New Orleans, negotiate my boundary, faculty research studio
- 2006 IBA Hamburg Wilhelmsburg: vernacular landscape, TU Berlin
- 2005 IBA Hamburg Wilhelmsburg: archipelagos in the stream, TU Berlin
- 2004 Hombroich Raumortlabor: emerging cultural landscape, TU Berlin
- 2003 Dresden Postplatz: space and site, Michel de Certeau, TU Dresden
- 2003 Lommatzsche Pflege, Saxony, deserted rural towns, East Germany
- 2003 Roma Reale, Via Tuscolana, Rom, Italy, TU Dresden
- 2002 Leipziger Osten, Stadtumbau Ost, managing shrinking cities, TU Dresden

#### TEACHING SEMINARS

- 2011 Delta City Atlas: a mapping project: seminar spring 2011, school of architecture, UVa
- 2009 Mapping/diagraming/ video editing, graphic course, 1st year Graduate student, UVa
- 2008 Mapping Stuttgart, State Academy of Art and Design, Stuttgart
- 2006 Landscape Urbanism: thick living mat, TU Berlin
- 2005 Delineating time: three sites without demand: designing processes instead of program
- 2004 Spatial (dis)order: design theory and -methods, TU Berlin
- 2003 A view from the road, infrastructure and public space, TU Dresden
- 2002 Whatever happened to Urbanism? OMA: texts/projects on urban condition, TU Dresden

#### INTERNATIONAL/NATIONAL ACADEMIC FIELD TRIPS/EXCURSIONS

- 2011 Venice, Italy: ParadoXcity studio Tour/Tide with IUAV European Masters Urbanism
- 2010 Berlin Hamburg Excursion/workshop IBA Hamburg/ Berlin with UVa students
- 2010 New Orleans studio: Meetings with local consultants and City planning, NGO's
- 2010 Baltimore studio: Meetings with local consultants and City planning, NGO's
- 2010 Hamburg-Berlin: Tidal Elbe vs. Media Spree, w/ UVa students, Summer'10

2009 Amsterdam, Berlin, Hamburg Excursion summer school w/ UVA students  
 2009 New Orleans w/ Hannover & Peking University Workshop/excursion (host)  
 2006 Peking, Dubai: emerging Mega Cities in China, VAE  
 2005 Lisbon & Sintra, recent urban development, Portugal; Bilbao, S. Sebastian, Spain  
 2005 The flood, 2nd architecture Biennale, Rotterdam, Netherlands  
 2003 A view from the road, 1st architecture Biennale, Rotterdam, Netherlands  
 2003 Landscape architecture Biennale, Barcelona, Spain  
 2003 Roma reale, Tivoli, Italy excursion collaborative studio with Prof. I. Reimann  
 2002 Morocco: royal cities, kasbah's and oasis seminar and excursion, TU Dresden  
 2001 Urban Catalyst, understanding emerging sub-cultural processes: Naples, Italy  
 1999 Edge city phenomenon: to true - to be good: 6 weeks tour de sprawl  
 Atlanta, Houston, Phoenix, Los Angeles, Las Vegas, New York, USA

TEACHING: DIPLOMA THESIS ADVISEES (selection)

2011 Transfers: Rochester public infrastructure, Jie Huang, Advisor, UVA  
 2011 WASH: Resilient Cultural Ecologies, LA, Aja Bullen-Richards, Advisor, UVA  
 2010 Los Angeles River, Piggyback rail yards LA: Jenny Jones, UVA 1st advisor  
 2008 Vain landscape, (Nutzlose Landschaft) Benjamin Gutsche, TU Berlin  
 2008 Heidiland ist tot, strategy for swiss alpine fallow-land, Anna Buchwald, TU Berlin  
 2007 Das Gewöhnliche, the esthetics of the generic, Ellen Kallert, TU Berlin  
 2006 Estuaire der Loiré, Franziska Wimmer, TU Berlin  
 2006 Teufelsberg Berlin, postwar detrial hill, Kolja Wischnewski, TU Berlin
