ALTERNATE HEALTH PLANS

For students seeking alternate health plans once Aetna student health plans end on August 14, 2020, the following resources and information are available to you:

—Start by reviewing options at: www.healthcare.gov

—Medicaid is available by state. To qualify for Virginia’s Medicaid, the income threshold is $17,609 for a household containing 1 adult/no children and $29,974 for a 3-person family household.

—If you are a current UVA students or a recent graduate under the age of 26, you may enroll on your parents’ plan until you turn 26 years old.

—UVA’s Student Health and Wellness Office is available to assist you in navigating and understanding plans that are available to you in the marketplace and/or with your enrollment questions relating to Medicaid. Please contact:
