PURPOSE AND BACKGROUND
The purpose of the Kyle Kauffman Award is to provide merit-based aid to a rising fourth-year student in the BS Architecture program. This scholarship was established by the Class of 1985 to honor their classmate, Kyle Kauffman (BS Arch ’85). The Kyle Frances Kauffman Honorary Scholarship was established in 1985 to honor the dedication and relentless hard work of their classmate, Kyle Kauffman. Kyle is a quadriplegic after suffering a tragic car accident when she was 13 years old. Her handicap never stopped Kyle from completing projects and excelling in design. Therefore, the Kyle Kaufman Award was created for a rising 4th year who demonstrates the same dedication, compassion, spirit, enthusiasm for architecture and achievement as Kyle.
